

BIKKI JHA

MCA Student @ RIT Roorkee | Web, Java & Python Developer

Email: bikkijhaa@gmail.com | Location: Bihar, India | Campus: RIT Roorkee

PROFESSIONAL SUMMARY

Passionate and results-driven MCA student at Roorkee Institute of Technology (RIT Roorkee) with strong expertise in Web Development, Core Java & OOP, and Python programming. Adept at building interactive modern web applications, scalable software architectures, and solving complex computational problems using data structures and algorithms.

EDUCATION

Master of Computer Applications (MCA)

Roorkee Institute of Technology (RIT Roorkee), Uttarakhand | Pursuing

- Specialization in Software Engineering, Advanced Java, Web Technologies, and Database Systems.

Bachelor of Computer Applications / Graduation

Bihar, India

- Graduated with strong foundation in Computer Science, Programming, and Mathematics.

TECHNICAL SKILLS

- Web Development: HTML5, CSS3, JavaScript (ES6+), Three.js, Responsive UI, REST APIs
- Programming Languages: Java (Core Java, OOP, Collections, DSA), Python (Scripting, Automation)
- Databases & Tools: MySQL, Git, GitHub, VS Code, Linux/Windows CLI

FEATURED PROJECTS

1. Interactive 3D Developer Portfolio

- Built an immersive 3D personal portfolio using Three.js, WebGL, and modern CSS3 glassmorphism.
- Integrated dynamic camera controls, 3D particle universe, and interactive skill geometry.

2. Java Management System & DSA Engine

- Developed a robust Java-based application utilizing object-oriented principles and collections.
- Implemented optimized search, sorting, and persistent data storage with clean modular code.

3. Python Automation & Web Scraper / API Tool

- Created automated Python scripts for workflow efficiency, data parsing, and RESTful API integration.

PERSONAL DETAILS

- Home Town: Bihar, India
- Current Academic Residence: Roorkee, Uttarakhand (RIT Roorkee)
- Languages: English, Hindi
